5. Requested Budget and Rationale*

Budget (in Euros) and it's justification*

Av. Person-Month Rate*

PMs*

Personnel Costs (sum)

Number of
Persons*

Travel Costs (if justified)

Other Costs

Total sum (€)

*Note that the sums are calculated automatically,
however, fill in all fields!*

- Give rationale for the requested funds in the budget narrative (2000 characters?)*

6. Legal Part: Declarations*

PROCESSING OF PERSONAL DATA

Note that in order to evaluate your proposal within the third-party call pipeline, the processing of personal data will take place. Personal data submitted within the proposal will be processed in accordance with applicable EU and national data protection law. Such data will be processed by the OpenWebSearch.eu Consortium partners and the external reviewers for the purposes of evaluating the proposed project and implementing, managing and monitoring the evaluation process. After the evaluation process, personal information on rejected proposal will be deleted, with the exception of reporting obligations towards the EU.

All personal information from the applicants, particularly the information used in reporting, will be treated as sensitive information according to Article 13.1 of the General Model Grant Agreement, version 1.1, 15.04.2022. Personal information for accepted proposals will be used by the consortium to prepare the sub-grant agreement, which regulates all further use of personal data in the project implementation. In case sub-grant agreement fails, the proposal will be treated as rejected.

Please check-mark the respective declarations to confirm that you have read and understood this information clause concerning processing of the personal data; that you have the legal basis for processing personal data of your team members mentioned in the application; that you will pass the information clause provided under legal part of the proposal to all team members concerned.

- You confirm that you read and understood the information clause concerning processing of the personal data.*
- You confirm that you have legal basis for processing personal data of the team members listed in the application form.*
- You will pass the information clause provided to all team members mentioned in the application form.*

7. Declaration of Honour*

- You have read and understood the relevant information. Questions could be resolved via asking the consortium;
- You agree to participate in the OpenWebSearch.EU projects;
- You understand you can withdraw at any time without giving reasons and that you will not be penalised for withdrawing nor will you be questioned on why you have withdrawn;
- You acknowledge that the evaluators and the European Commission and its bodies and agencies may have access to the data collected under the open call;
- The data provided in the application form are true and up-to-date;
- The entity that you represent meets the eligibility conditions described in the guide for applicants;
- There is no conflict of interest between the company you represent and any of the consortium partners;
- You did not make false declarations in supplying the information required, as a condition of participation in the Open Call or do not fail to supply this information;
- That published results will acknowledge the funding received from OpenWebSearch.EU project (funded by the EC under the GA 101070014) and undergo a peer-review process.

Date*

I understand and agree to the statements above*
